GENERAL INFORMATION

Conference aim

EU integration and its impact on economic policies are a key strategic priority for Albania and Western Balkans countries but as well as for EU member countries in general. The purpose of the conference is to address through interactive presentations and discussions current issues of EU integration and economic policies dealing with structural reforms, dynamics of growth and business cycles, development of labor markets, financial and banking sector through meeting the requirements of Sustainable Development Goals and increasing competitiveness through innovation. Given its interdisciplinary approach, this conference is a venue where researchers and practitioners from different fields will gather to exchange their ideas, research results, work in progress and experience. During this conference we will also discuss challenges and market performance under Covid 19 pressure. An ultimate goal of the conference is to bring concrete proposals and recommendations for policy-makers and business community at local, European and international level and enhance best practices sharing perspective. Participants will have the opportunity to network, and increase future collaborations synergies.

The conference official languages will be English, French and Italian

The conference will be held at Conference Hall, New Campus, Spitalë, Durrës.
